

EUROSTYLE & EUROTREND
High Performance German Laminate

**Dependable.
Durable.
Close to our customers.**

For us "being close to you" is not simply a geographical concept but an integral part of our philosophy.

Close to you in our way of thinking, in discernment and in understanding your needs.

Which means we are always there for you.

A brand-new collection of EUROSTYLE, 100% German made laminate floors for residential use with heavy utilization and commercial use with heavy utilization, brushed surface with glossy pore contrasts, clickable short and long edges with 1cllic 2go pure+ feature, 48hours splash water protection.

EUROSTYLE German laminate flooring stands for a world full of inspiring ideas. From perfectly replicated wood grain to remarkably realistic imitations of endless wood grain beauty, through to a new concept for panels with "invisible" joints, which creates an apparently seamless surface. 100% German made laminate floors focuses on naturalness, are high-tech products protected by patents, and are made from high-quality materials with designers paying attention to even the smallest details.

EUROTREND Flooring are 100% made in Germany from timber obtained from sustainable managed forests. This European laminate collection comes in a variety of beautiful decors, offers unique features making EUROTREND one of the premium flooring products in the market, and is available in Metro Vancouver, throughout British Columbia and across Canada.

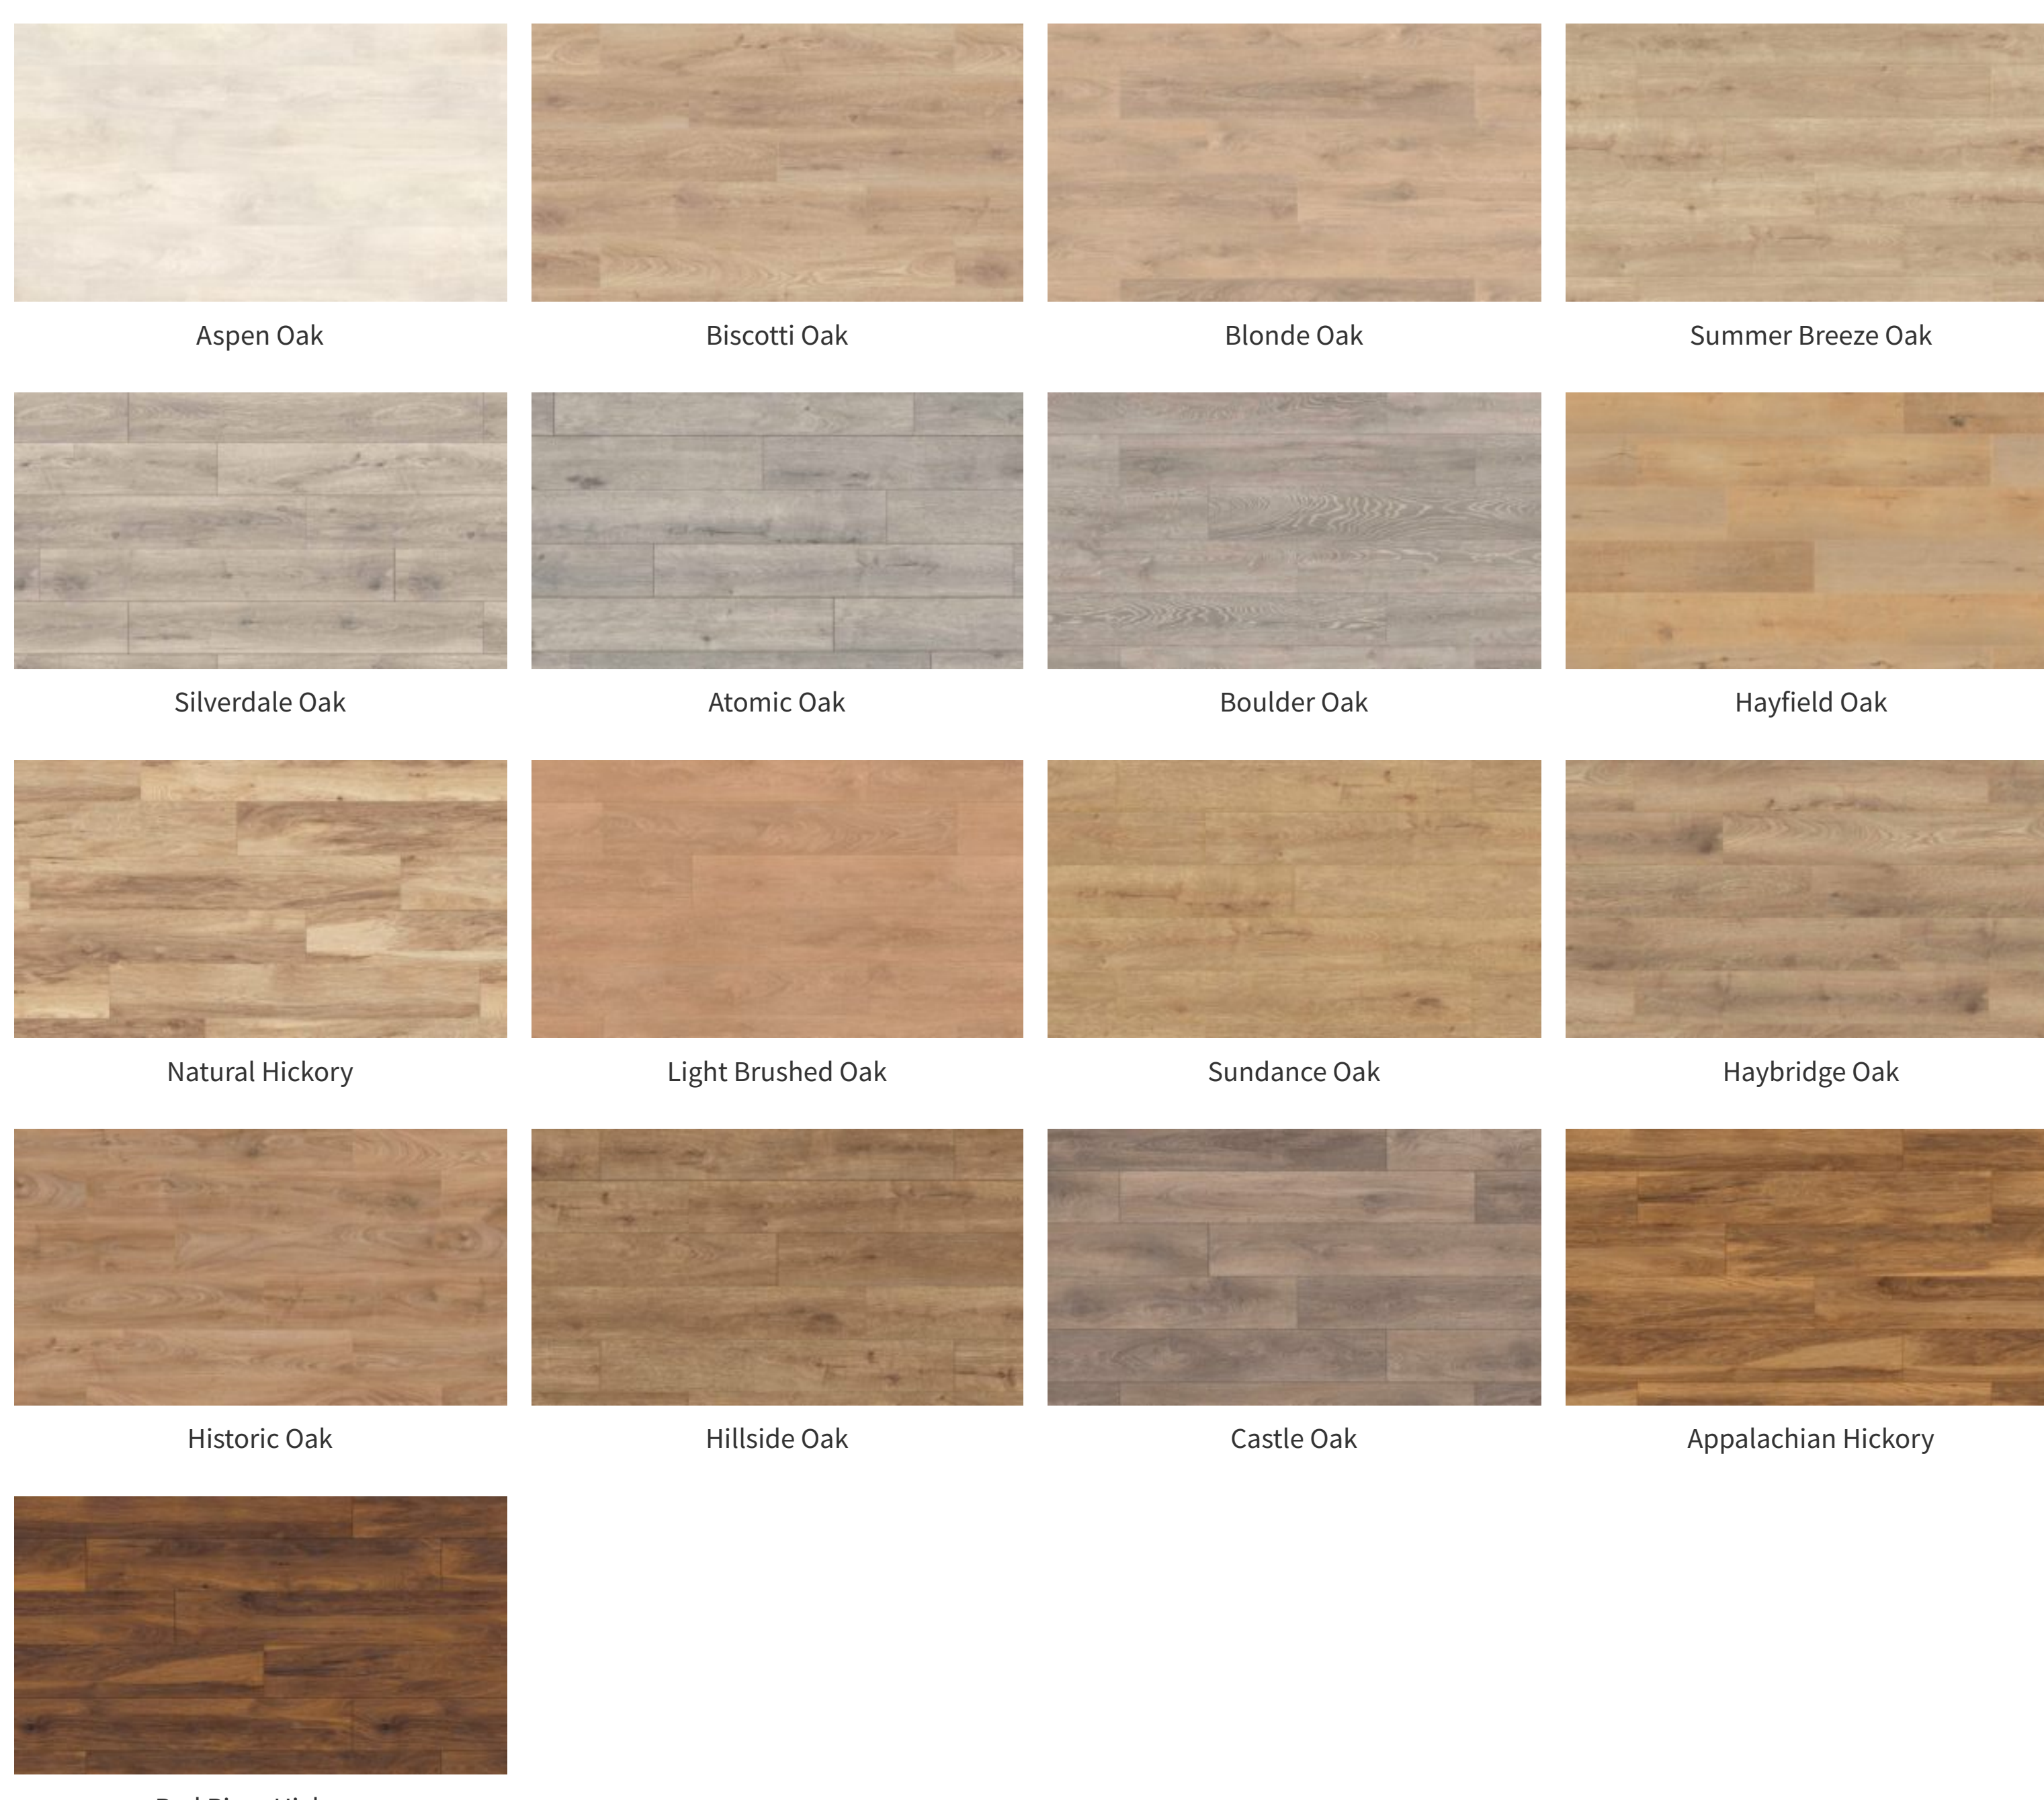

See the Decors

The EUROSTYLE & EUROTREND Flooring Collection sets itself apart from other floor brands through their intense colour tones, natural surface structures, special brilliance and unique features.

Choose the right flooring for your lifestyle, they are available in Metro Vancouver, throughout British Columbia and across Canada!

Details & Features

EUROSTYLE eco-friendly laminate consists of 90 percent wood and is manufactured exclusively with wood from domestic and sustainably managed forestry in the production of EUROSTYLE environmentally friendly laminate floorings. This is guaranteed by the PEFC (Pan European Forest Certification), an independent testing institute. EUROSTYLE Laminate Flooring is robust, durable; thus resources are conserved.
