Abrasion Class
Commercial 33

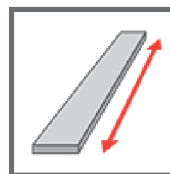

V4 All The Way Around

These laminate panels are equipped with a 45° bevelled edge all around. When joined together, a V-groove is created, which conveys a natural solid wood plank character

Clic System

A 5G snap-together system makes the flooring even easier to install.

6 Feet Long

These panels are especially long

Anti-Static

SPEC SHEET

Structure

These panels have a special surface structure.

6 Feet Long

These panels are especially long

Moisture Protection

Optimized to withstand moisture penetration even longer. The resin-rich pine from Mark Brandenburg and special gluing processes ensure significantly reduced swelling of the laminate flooring.

Eco-Friendly

Blue Angel | The German Ecolabel

- Low emissions and pollutants
- Wood from sustainable forestry
- No adverse impact on health in the living environment
